INFORMATION ONLY
CANADIAN MODEL E-LEARNING PROMOTIONAL VIDEO

Dear BCA Alberta Members:

The CLR of Alberta is offering an on-line learning program on the Canadian Model For Providing A Safe Workplace. The program is titled Understanding Our Canadian Model and will be of interest to people who have a role in the application and administration of the Canadian Model, particularly front line leaders operating in the construction and plant maintenance industries.

Understanding Our Canadian Model is a program that can be completed on-line in about 3 hours and delivers a comprehensive learning experience on all aspects of the Canadian Model, particularly as it is applied in the building trades unionized construction and plant maintenance industries.

A promotional video on the CLR of Alberta E-Learning Program can be readily located on the CLR of Alberta website at the following link:
