**COMMON WELDER PROGRAM OF NEW BRUNSWICK,  
NOVA SCOTIA (MAINLAND) AND PRINCE EDWARD  
ISLAND AND NOVA SCOTIA (CAPE BRETON)**

BCA of New Brunswick, Nova Scotia and Prince Edward Island Contractor:

Please be advised that further to the 2010 decision of the BCA Multi Board of Directors to suspend contributions to the Common Welder Program for the above noted provinces, the same Board has moved to refund the remaining surplus in the Program to the Contractors in 2014.

The remaining surplus is comprised of contributions received by the Program net of expenditures incurred in the administration of the Program. The expenditures have been allocated to each of the contributing contractors on a pro-rated basis by amount of contributions over the period from 1995 through 2010.

We remind you that based on Contractors' bidding procedures **you may be required to refund some or all these monies to your owner / clients**. By acceptance of the refund, the contractor will accept all responsibility in the event of any owner / client issues arising as a result of the refund.

The refunds will be mailed out during the month of April 2014.
