

BCA / IBB Joint Notice

Memorandum of Agreement: Overlay - Metalizing

In May 2017, the BCA and the IBB executed a Memorandum of Agreement for Overlay – Metalizing (“Overlay MOA”) effective for the period of May 10, 2017 through June 30, 2020.

A joint meeting between the Parties, participating Contractors and the IBB Local Business Managers/Secretary-Treasurers was held in March 2020 to discuss the Overlay MOA and determine any revisions necessary to ensure its continuation beyond the first expiration date. Subsequent to the meeting the Parties jointly prepared an amended agreement, newly named “Specialty Tooling and Services Agreement – Mechanized/Orbital Welding” Memorandum of Understanding and circulated the document among the stakeholders for approval.

Both Parties were unable to obtain unanimous consent to the new agreement.

As a result, the BCA and IBB will not be renewing the Memorandum of Agreement Overlay – Metalizing upon its expiry at June 30, 2020.

If you have any questions please contact either Marty Albright (BCA) or Cory Channon (IBB).
