As per Collective Agreement:

17.03 For the purposes of this section, a "regular work day" is a day for which straight time rates would apply and an "overtime day" is a day for which overtime rates would apply to all hours worked. Where a General Holiday falls on a regular work day, the General Holiday will be observed on the day it falls. Under these circumstances, work performed shall be paid at double (2) time. Where a General Holiday falls on an overtime day, the General Holiday will be observed on the next regular work day. Under these circumstances, work performed on the day on which the General Holiday falls will be paid at the overtime rates otherwise required by the Collective Agreement, and work performed on the day on which the General Holiday is then observed will be paid at double time.
